Dear Mr. Pak:

Paul

The U.S. Environmental Protection Agency has reviewed and approves the subject document. The EPA understands that DOE intends to republish this version as Revision 0, so EPA's approval extends to that republication, provided the content does not change.

Thanks to you, your staff, and contractors for the opportunities to review and discuss this document during its development. If you have any questions, please contact me at 509-376-9884.

Sincerely,

Larry Gadbois
